

Win 02 Ephesus - House Of Virgin Mary - Şirince (Full Day)

Tour Programme:

You will be greeted by our professional-licensed tour guide in Izmir port or at the hotel. After an approximate 1 hour drive, tour starts with the visit of the best preserved and restored ancient city in Turkey. Ephesus which was one of the most important cultural centers of the ancient world. Ephesus Ruins (Odeon, Temple of Hadrian, Roman Baths, Celsius Library and the Theatre) As we walk through this ancient site you will notice the streets paved with marble which gives a hint to this city's great wealth many years ago. Then we will visit House of Virgin Mary where it is believed that she arrived with Saint John 4-6 years after the death of Christ and where she spent her final days. We will drive to a pretty old Orthodox village called Sirince (means pretty) which was settled by freed Greek slaves who named the village as Çirkince "ugly" to deter others from following them. Still after years, the visitors understood that the village was not ugly at all and called it as Sirince. Along the streets of the village you will have chance taste many sorts of grape and fruit homemade wines which makes Sirince worldwide famous.
